PRODUCT**ANTI-SLIP PAPER 100****DESCRIPTION**

ANTI-SLIP PAPER 100 is an innovative packaging solution with the main goal to stabilize and secure products on the pallet during storage or transport. Anti-slip paper ensures cohesion between different layers of product.

It is composed of recycled paper coated 2 sides and it has non-slip properties. This type of paper has consistant sheets, it is flat and easy to use.

This product is 100% recyclable and ISO 14062 Eco-designed certified.

**TECHNICAL
DATA**
